<b>Minie Ball – write three facts about it</b>	<b>Write two “firsts” of the Civil War</b>	<b>How does cotton impact the South?</b>
large numbers of casualties, invented in France, 1000 can be shot in an hour, faster, used by north and south, most direct hits mean death, covers greater distance, can be reloaded faster, new industry arose over its production	dog tags, write home with Pony Express and tell about war	brings wealth to south, built on the institution of slavery

<b>Robert E. Lee – write two facts</b>	<b>Battle Bull Run – write two facts</b>	<b>Write two reasons why the railroad was important to the North</b>
WestPoint graduate, fought in the Mexican-American War, effective on the battle field	good training with Lee, kill 1700 union soldiers, they know the land	speeds up troop deployments, it is placed under government control by Lincoln, adds more rail lines during the war

<b>Write two reasons why industries were important to the North</b>	<b>Write two reasons why the telegraph was important to the North</b>	<b>Write two facts about injuries on the battlefield</b>
manufacturing increases, industries are put behind the war effort	tool of passing communication, sends brief messages, only needs seconds to send and transcribe, they are under military control of the Union, gives Lincoln insight to his commanders' thinking, he can issue his own direct orders on how to fight	amputations, ether, chloroform are used as antiseptics, bacterial infections are common, looking after wounded becomes just as important

<b>Write two facts about Clara Barton</b>	<b>Write two facts about portable cameras</b>	<b>Write two facts about the preservation of dead bodies</b>
untrained and unpaid, she wants clean bandages, says to care for most seriously wounded first, she founds the American Red Cross, gangrene was common at first but technologies help improve it	images of the battlefield can reach home; can get the aftermath of battle; photographers flood battlefield	embalming is new to keep a corpse until it gets home; embalmers become rich; new types of coffins depending on price

<b>Write one fact about the Emancipation Proclamation</b>	<b>Write one fact about African American soldiers</b>	<b>Write one fact about the Gettysburg Address</b>
all those held in rebellious states would be free; black Americans run to enlist in the war	good fighters	dedicate a cemetery

<b>Write three facts about Sherman’s March</b>
stop for nothing orders; they advance under the cover of night ; burns a path and destroy rail lines; total war; scorched earth approach
